JOB SUMMARY

North Central Florida Health Planning Council, Inc. (doing business as WellFlorida Council) is one of Florida's local health councils as designated by Florida Statute 408.033. WellFlorida Council is a 501c-3 that has been in operation since 1969. With an annual budget of nearly \$16,000,000, WellFlorida coordinates critical safety net services, specializing in maternal and child health services and HIV/AIDS, and community health research programs in 16 north central Florida counties. In recent years, WellFlorida has grown substantially, and its leadership and Board of Directors have determined that there is a need for a Chief Financial Officer (CFO) to provide daily and strategic oversight of the fiscal management of the organization.

The CFO monitors and manages the organization's finances as well as the finances of individual programs within the organization; is responsible for all forms of internal and external financial reporting; and oversees and manages all fiscal and administrative support staff. This is a professional position that reports to the Chief Executive Officer (CEO). The position directs the financial management program that encompasses the coordination and integration of functional activities associated with budget, accounting and managerial financial reporting, grants management and the supervision of the internal fiscal processing team. The person holding this position is a member of the Senior Executive Team and works closely with the CEO, the Chief Operations Officer (COO) and Program Managers along with WellFlorida Board members, corporate partners and others on the WellFlorida staff as needed.

ESSENTIAL FUNCTIONS AND RESPONSIBILITIES

The list of essential functions, as outlined herein, is intended to be representative of the tasks performed within this position without an accommodation. The omission of an essential function does not preclude the management for assigning duties not listed herein if such functions are a logical assignment to the position.
